MEMORANDUM FOR THE DIRECTOR OF TRAINING

SUBJECT : Office of National Estimates Training Requirements for FY 1954 Revised and FY 1955 Projected

REFERENCE : Director of Training Memorandum, 29 April 1953, re Training Requirements

1. Pursuant to your request, we attach hereto an outline of projected O/NE requirements. This outline follows in general the "Categories of Training Programs" enclosed with your memorandum.

2. It is understood by this Office that attendance by O/NE personnel at service schools is budgeted for by your Office on an agency quota basis, and therefore does not come under consideration in the present connection.

3. It should be noted that the attached outline represents O/NE's maximum projected training requirement for the two fiscal years. It is, however, at best an approximation, subject to change due to office circumstances and expansion of training opportunities.
